As Approved on June 1, 1934

ORDER

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE TEXTILE MACHINERY MANUFACTURING INDUSTRY

An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for approval of an amendment to a Code of Fair Competition for the Textile Machinery Manufacturing Industry, and as contained in a Published Notice of Opportunity to File Objections, Administrative Order No. 35-6, dated May 3, 1934, and no objections having been filed as provided in said Published Notice, and the annexed report on said amendment, containing findings with respect thereto, having been made and directed to the President.

NOW, THEREFORE, on behalf of the President of the United States, I, Hugh S. Johnson, Administrator for Industrial Recovery, pursuant to authority vested in me by Executive Orders of the President, including Executive Order 6543-A, dated December 30, 1933, and otherwise, do hereby incorporate, by reference, said annexed report and do find that said amendment and the Code as constituted after being amended comply in all respects with the pertinent provisions and will promote the policy and purposes of said Title of said Act, and do hereby order that said amendment be and it is hereby approved, and that the previous approval of said Code is hereby amended to include an approval of said Code in its entirety as amended, such approval and such amendment to take effect ten (10) days from the date hereof, unless good cause to the contrary is shown to the Administrator before that time and the Administrator issues a subsequent order to that effect.

HUGH S. JOHNSON,
Administrator for Industrial Recovery.

Approval recommended:

A. R. GLANCY,
Division Administrator.

WASHINGTON, D.C.,
June 1, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: An application has been duly made pursuant to and in full compliance with the provisions of the National Industrial Recovery Act, for an Amendment to the Code of Fair Competition for the Textile Machinery Manufacturing Industry, submitted by the Code Authority for the said Industry.

The existing provision of Article III, of the Code for said Industry, is entirely inadequate in view of Executive Order 6678 and Administrative Order X-20, both dated April 14, 1934, and it is therefore evident that the proposed amendment to Article III of said Code, the provisions of which follow closely the text of the above mentioned Orders, will overcome the existing inadequate provisions.

FINDINGS

The Deputy Administrator in his final report to me on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of the industries, by avoiding undue restrictions of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(d) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, therefore, I have approved this amendment.

Respectfully,

HUGH S. JOHNSON,
Administrator.

JUNE 1, 1934.

ARTICLE III—EXPENSE OF CODE ADMINISTRATION

SECTION 1. It being found necessary in order to support the administration of this Code and to maintain the standards of fair Competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

(b) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the Industry;

(c) After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contributions as above set forth by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

SECTION 2. Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the Administrator. of the Code Authority or to receive the benefits of any of its voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.

SECTION 3. The Code Authority shall neither incur nor pay any obligation in excess of the amount thereof so estimated in its approved budget, except upon approval of the Administrator; and no subsequent budget shall contain any deficiency item for expenditures increases of prior budget estimates except those which the Administrator shall have so approved.
